The Canadian International Art Exhibition is an exclusive art show and as such, we embrace artists who adhere to our philosophy of exclusivity by making their works of art unavailable in other shows 30 days before and 30 days after the dates of our art exhibition within a 50-kilometre from the CIAE show.

Selection Criteria

- The Canadian International Art Exhibition only accepts original fine art and does not accept the display of furniture, craft, decorative arts, glass/ceramics, carpets, or decorative carpets.

- Photomechanical reproductions such as prints run off a commercial printing press, offset lithographs, and embellished commercial reproductions are not permitted, with the exception of photography/digital media categories.
- Reproductions including posters, t-shirts, calendars, postcards, and fabrics are not permitted in the exhibition.

Collectives and Sharing the Booth

Booths may not be shared by other artists (with the exception of registering as a gallery). Artist Collectives must submit documentary evidence proving previous exhibiting experiences. Collectives are eligible to apply for 10' x 16' booths only.
